Application Letter

From: Limenih Mengstie Mekonen

Address: Addis Ababa, Ethiopia

Mobile phone: +251910945176 or +251982228882

Email: mengstielmenh@gmail.com

To: Your Organization

Subject: Requesting to accept my application letter

First of all, I would like to introduce myself. I am Limenih Mengstie Mekonen. I have graduated from Woldia University, Department of Computer Science with bachelor science (B.sc) degree. And also I have been studied CCNA courses such as Introduction To Network (ITN), Switch Router Wireless essentials (SWRE) in Woldia university Cisco academy and plus to that I have been studied different online free courses in Cisco academy. Such as CYBER SECURITY, IOT with a great result and certification. And also I can able to troubleshooting and maintaining Mobile and computers. During my stay in campus, I took various courses that are equipped me with profound knowledge that will be expected from me delinquently.

I am writing to apply in your organization. As requested, I enclose a completed job application, my certification, and references. If I will get the opportunity to work in the organization, I will do my best to execute responsibilities expected from me for the achievement of the organization's goal.

My strong initiative and exceptional organizational skills, combined with my ability to work well under pressure, allow me to play a crucial role in a fast-paced environment. Furthermore, I believe I will immediately make a noticeable impact on your organization's standards.

I sincerely hope that you will let me know the response soon. For more information curriculum vitae (CV) and other relevant information are attached here.

Thank you in advance for considering my application. With best regards

Limenih Mengstie.....

CURRICULUM VITEA (CV)

1. Objective

To work effectively expected from me by working in a dynamic organization that prides itself in giving substantial responsibility to customers.

2. Personal information

Full name: Limenih Mengstie Mekonen

Sex: male

Date of Birth: 12-12-1996

Nationality: Ethiopian

: +251910945176/ +251982228882

Email: mengstielmenh@gmail.com

3. Educational background

2012 : Grade 8 Regional Examination Certificate: 56%

2017: Ethiopian Higher Education Entrance Qualification Certificate (EHEEQC) from G20 (Lumame) Secondary and Preparatory high School with 427/700

2017-2021: BSc Degree in Computer Science; four years program from Woldia University

4. Qualification

B.Sc. from Woldia university in Computer Science with CGPA **2.88**

CCNA from Woldia Cisco networking academy

IoT, introduction to Cyber security from online free courses in Cisco academy with average result of above 85/100

5. Computer skills

Computer basics (hardware and software)

Computer networking(Switch , router and End devices configuration)

Design and Manage Database (MYSQL and SQL)

Web design (with HTML, PHP)

Mobile Hardware And Software Maintenance

Investigate the solutions for Hardware and Software problems (mobile and some pc)

6. Final year project

Student cafeteria management system for Woldia University

7. Language skills

I have the ability to *reading, speaking, writing* and *listening* both *Amharic* and *English* languages.

8. Related work experience

MOBILE AND COMPUTER HARDWARE AND SOFTWARE MAINTENANCE FOR
3 YEARS

Network configurations, Basically End devices, Switch and Router

9. Social skills and competence

I am proud of being a citizen of multi nation country. I have got a lot of social skills during my life. Now I can live with any society having a variety of culture.

10. Hobbies

Eager to learn practical and professional Computer principles
Listening Media and reading Books, journals on scientific innovations
Conduct researches and writing books related to Programming language,
Database and Computer Networking profession.

11. Personalities

I am health and capable of doing any type of work, disciplined and patient
behavior

Excellent relation with everyone and also free from any addiction.

12. Reference

1. D/r Tiruadey Mengstie

residence doctor at st.Pawlos Hospital.

mob.: +251985520491

Email : megetiruadey@gmail.com

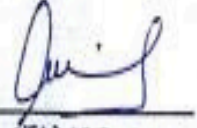

2. Nebyat Nebyu, Teacher

mob: +251964563849

3. GetachewWorku , ICT director and lecturer at Woldia university

Mob; +251912371577

ITN CERTIFICATION

Certificate of Course Completion

Cisco Networking Academy

CCNAv7: Introduction to Networks

The student has successfully achieved student level credential for completing CCNAv7: Introduction to Networks course administered by the undersigned instructor. The student was able to proficiently:

- Configure switches and end devices to provide access to local and remote network resources.
- Explain how physical and data link layer protocols support the operation of Ethernet in a switched network.
- Configure routers to enable end-to-end connectivity between remote devices.
- Create IPv4 and IPv6 addressing schemes and verify network connectivity between devices
- Explain how the upper layers of the OSI model support network applications.
- Configure a small network with security best practices.
- Troubleshoot connectivity in a small network.
